INVERAFRUT

UK NL MX USA KOR

WELCOME TO THE INVERAFRUT WORLD!!!

INVERAFRUT is the # 1 limes supplier in the European market with scope to countries such as England, Holland, Germany, Italy and Spain, among others.

Which facts made us the best option?

- We have three packing houses
- Our productive capacity is 300 tons daily.
- Located in Martínez de la Torre and Chavarrillo Veracruz.
- We have multiple international certifications.
- We have more than 20 commercial brands, including those clients who are in the European market.
- More than 4 commercial brands for the United States and Canada.
- We develop different presentations, which adapt to the customers' choice and market innovation.
- Would you like your brand in one of our suitable boxes? Why not? Just ask for it!

Our commitment is to help you to receive the product in the best conditions as soon as possible.

WE ARE MORE THAN JUST LIME

OUR COMMITMENT IS HELP YOU TO RECEIVE THE PRODUCT IN THE BEST WAY AND IN THE SHORTEST TIME.

WE GUARANTEE THE FRESHNESS OF A GOOD PRODUCT

1) Work is constantly supervised from the field.

2) Once the fruit was harvested, we properly take the shortest exposure time until it was carefully packed reducing the risk.

3) In the process, the products used are eco-friendly especially for the fruit.

4) Before loading a product, we make sure to check and disinfect it to keep the load in transit.

5) We put all our effort and dedication into each load coming from the packaging.

WE ARE AN ECO-FRIENDLY COMPANY

- WE COLLECT AND TREAT RAINWATER TO USE IT IN ALL THE PROCESSES INVOLVED IN OUR COMPANY, AS WELL AS OUR FACILITIES.
- WE TREAT AND REUSE SEWAGE FOR TOILET SERVICES.
- WE REDUCE THE CONSUMPTION OF DRINKING WATER FROM MUNICIPAL PIPES.

SUPPORT AND ADVISORY TO PRODUCERS

- WE PROVIDE TRAINING COURSES AND QUALITY AGRICULTURAL PRACTICES.
- WE PROVIDE FIELD SUPPORT, AS WELL AS, AUTHORIZED BIOFERTILIZERS AND FUNGICIDES.
- WE CARRY OUT FIELD INSPECTIONS OF OUR LEADING PRODUCERS AND MAKE RECOMMENDATIONS.
- WE PROPERLY SUPERVISE THE RECORDS OF ACTIVITIES IN THE FIELD TO EFFICIENTLY GENERATE CONTINUOUS IMPROVEMENTS IN ENHANCED PRODUCTIVITY.
